

Hello, neighbors.

We're Steel Dynamics, and we're excited to be a part of this community.

Each of our 7,000 employees across the United States has a dedication, work ethic and entrepreneurial spirit shared by the people here on the Iron Range. That's a big reason why our Mesabi Nugget plant—the first of its kind anywhere in the world—is being built right here. We're committed to working hand in hand with this community and its people to build a great future for all of us. Mesabi Nugget represents a new age of iron—and the people of the Iron Range will bring it to life.

Steel Dynamics and Mesabi Nugget.

We're coming to live on the Iron Range. Not to visit.
