To all our valued customers:

Please be advised that Steel Dynamics Engineered Bar Products Division fuel surcharges will be as follows, effective with shipments on Friday October 1, 2021:

- ❖ Truck freight will change to 22% of the rate.
- ❖ Rail freight will remain to 0.34/route mile.

We will continue to monitor fuel costs closely for any necessary adjustments in the future.

Sincerely,

Greg Dickerson  
Dispatcher
